Our #JAN6 protest made Big Gov mad! In response to StopTheSteal.us protest w/ POTUS joining, DC has closed restaurants & indoor dining even at hotels, closed bathrooms, setup 36 hr barricades. violated the constitution, banned gun permits, & CALLED THE NATIONAL GUARD. TYRANNY!

See yall tomorrow 1 PM at Freedom Plaza.

11 What needs to be done is surround the police and disarm and detain them.

They just handed you tools on a silver platter, Americans. Don't let it go to waste on a minecraft server with little resources

What would it take to move them?

Layer them up at a choke point at the exits of all the tunnels under congress. Make them force the doors open and climb over hurdle after hurdle just to get to a mob of us. Those pictures would nothing short of amazing.

It is far safer if they were oriented parallel to movement.
